If there are any meds (those given for maintenance purposes, such as glucosamine, thyroid, vitamins etc.) that need to be given to the dog, please be sure to include them along with appropriate instructions.

## Boarding Requirements

Before boarding your dog with us, we will need to see health records regarding: vaccines (4 in 1, rabies, bordetella), fecal test, and heartworm.

You will also need to sign an agreement/waiver and fill out a questionnaire about the dog regarding care issues, allergies, likes, and dislikes.

**Please note:** we will not board females in heat or sick dogs, and we reserve the right to decline services.

## Payment

We accept cash or cheque.

## Cancellation Policy

All cancellations must give at least 24 hours notice. Any cancellations less than 24 hours notice will be subject to an administrative fee applied to your next visit.
